Mr. Taylor made his payment in a timely manner except for two payments that were slid to a later month. The loan was repaid in full on or about June 10, 2013 by Mr. Taylor. Currently, Mr. Taylor owes me no debt nor have I received any payments from Mr. Taylor since the date noted about of or about June 10, 2013.

I'm in complete knowledge of these statements and know them to be fact as fore stated, to the best of my knowledge. I also understand that these statements are critical and important to Mr. Isom Taylor's Bankruptcy Case and this is my affidavit made of my own freewill on behalf of Mr. Taylor.

Furthermore, I did read but didn't understand nor have legal advice to consult regarding the "TOLLING AGREEMENT" presented to me by Mr. Taylor from the Bankruptcy court. I did not feel comfortable signing this "TOLLING AGREEMENT" but did consent to this, my personal statement and affidavit regarding the loan.
